**BECOME A MEMBER TODAY AND BEGIN
TRAINING IMMEDIATELY FROM THE COMFORT
& CONVENIENCE OF YOUR OWN HOME WITH
A LIFETIME OF SUPPORT FROM ALL OF US!**

I highly recommend this training program! I love the practical tips and the 'learn at your pace' format. The combination of written information and the how-to videos is really nice. I also had a specific problem with my puppy and I contacted Amy - she was quick to respond with the thorough and personalized help I needed. LOVE IT!

The **BAXTER & Bella** online puppy school is organized around its signature **PUPPY PREP** training program, which is as much about teaching your dog how to act, as it is about coaching you how to train!

Uniquely designed and strategically developed around the principles of Leadership, Housetraining, Manners, Obedience and Socialization, this step-by-step curriculum will teach you how to successfully integrate a family dog in a easy-to-use and fun-to-follow format! Inclusive of 60+ lesson plans, more than 100 how-to videos, tips, tricks, tools and techniques, printable charts & checklists, training games and activities, in addition to so much more as you and your canine companion work toward **"Becoming best friends through love and learning!"** and ultimatley **"achieving better animal ownership and experiencing the very best in canine companionship!"**

BREEDER EARLY START SOCIALIZATION ACTIVITIES

Great puppy providers are ABSOLUTELY CRITICAL in helping a dog receive the very best beginning possible and leads toward healthiness and happiness - these outlined early start socialization activities are perfect for establishing the initial foundation a canine companion needs and it all begins with what is oftentimes a thankless job as a breeder!

INTRO - TRAINING THE TRAINER

The **INTRO** teaches new puppy parents, even before their canine companion arrives in their home, the basics of positive reinforcement dog training and while it is mostly reading, its purpose is to help establish that all important base-level understanding of the training tips, tricks, tools and techniques that will lead to success!

PREP - LET THE FUN BEGIN

The **PREP UNIT** outlines how to set up your house for optimal outcomes and helps you arrange the other important things necessary to get started in the right direction, including but certainly not limited to: shopping lists, curriculum charts & checklists, as well as the very popular **SURVIVAL GUIDE** - what you need to know RIGHT NOW!

UNIT 1 - WELCOME HOME

UNIT 1 lessons focus on building your initial bond together, in addition to helping you establish a productive training routine! In short, it helps you build a bond, teaches you how to initially load the marker and then properly begin teaching the critical manners and cues your canine companion must know moving forward!
